On holiday last month I'd had a bit of a skinful but I decided to stop in at a bar for one last drink on the way to my hotel. But when I sat down with my drink I realised with shock it was a knocking shop.

I drank up and left, but I was curious so I sat on a bench across the road outside so I could observe people going in and out.

Soon a bloke came out and sat next to me. He told

legs and rubbed my wet, knickerless pussy. He slid two fingers inside and started to frig me.

My juices were flowing and there was a small puddle

before I came

me he'd rather fuck me than any of the girls in the brothel. He was handsome and had a big bulge in his trousers.

I was up for doing it right there on the bench. He started kissing me and I put my hand down his pants to feel his big cock. I could hardly get my hand round it! He opened my

all over his fingers.

I needed some cock inside me, so I pulled his jeans down and gave his cock a long, wet suck. Then I told him to shag me.

I lay back on the bench and he slipped his cock up me and began to fuck me really hard. After a few hot minutes, he said he was going to cum.

Pulling out, he shot his seed all over my stomach and tits. I scooped up the cum and licked my fingers clean, feeling like a total tart!

Turkey shoot

On the second night of our holiday in Turkey, Alan and I were sitting in the bar having a drink and playing pool.

Sean, this young lad of 18, was wanting a game so I went and sat down and let Alan play. After a couple of games Alan and Sean came and sat down. I could see Sean trying to have a sly look up my dress, at first I thought 'Dirty bastard', but then I realised I must still have something at my age (42)!

Sean went to get another drink in and I asked Alan if I could part my legs to let Sean see my neatly trimmed pussy.

Sean came back and

sat opposite me again and started to gaze down at my thighs, Alan just smiled at me, and I looked straight at Sean and parted my legs. My little slit was starting to moisten up and he didn't know where to look.

Alan reassured him that it was OK and I was allowed to flirt on holiday. I told Sean to have a good look at a real woman's pussy. His cock was bursting through his shorts, so he had to sit where he was. I asked him if he liked what he saw, and he just

He tried to apologise but I told him to pay attention and learn. I guided his face into my pussy so he could lick me out. I could tell he was loving it and not doing a bad job either.

I sat on his face for a little while, him still lapping away at me.

Then I leaned forward and started sucking his cock hard again. Once he was hard I

kept looking at my pussy and nodding his head.

I asked Sean if he would like to see me lying naked on a bed so he could lick me and then fuck me any way he

I told Alan I was going to cum and he just held onto me and emptied his cum deep inside me and I followed with a fucker of an orgasm.

I lay flat out on the bed after that with Alan and Sean and had another drink. Sean told me that I was the first person that he had cum

sorted drinks out and I stripped off and lay on the bed. I told Sean to take his clothes off and his cock was standing hard for me. He told me that he had only had sex once before and had come on holiday to try and get a bit more experience.

I asked him what he wanted to do to me, but he didn't really say much. I then sat up in the bed and sucked his young cock and he must have cum after ten seconds right in my mouth and down my throat.

straddled him, and gently bounced on his young cock asking him if he was enjoying it, he kept saying thank you, thank you: it was quite sweet really!

I told him that I wanted his cum inside my pussy this time and asked him what position he wanted me in.

He asked if he could do me doggy and I obliged by getting off and getting on all fours. He slipped very gently in between my hot pussy lips and I got his hand and made him play with my clitty while he was fucking me.

We got up a good pace and Sean announced that he was going to cum again, so I told him to fuck me hard and fill me deep. He did just that and I told him to keep playing

and Alan got in behind where he had left. The cum was trickling out of my pussy and I was about to be filled again.

Alan was giving me a good fucking and I was starting to build up an almighty orgasm. Alan was hammering against my arse cheeks so hard that I knew that I had got his vote

inside and he loved it. I let him explore my body after that and showed him the bits he should touch when pleasuring a woman.

The following night he came back to the hotel with a young woman, passed us at the bar and winked at us...

HALF TIME HONEYES!

The Paul Raymond girls turned out in force to see England humbled by Uruguay. Like us, they were so disappointed at half time they retired outside to smoke a fag and bewilder Japanese tourists in Leicester Square. In fact I was having so much fun flashing my bits and chatting I completely missed the second half and the result (until the next morning). Small mercies, eh?!

Dear Julia

You mentioned in vol 34 no 7 of your excellent magazine that Crystal (right) would be supporting Uruguay in the World Cup because they were skilful and dirty just like her. But after Luis Suarez's antics, could she confirm that her oral skills are a little bit better?

Tom, Dorset.

Thanks a Brazilian

Julia says: We tried to get a quote from Crystal, but her mouth was too busy to talk to us! So we guess that's a (rather muffled) yes! Reports that she goes down like a sack of spuds clutching her teeth after an oral session are greatly exaggerated.

DEAR JULIA

Dear Julia

I need help with the Latin tattoo on the chest of Lottie on page 25 of your *Escort* vol 34 no 7. The last word is VINCIT, like in "Veni, vidi, vici," (I came I saw I conquered) (Actually it's veni, vidi, vici - *Escort* Latin Editor) but the quote is not the standard "Love conquers all" which uses the word "Vincit." (*Amor vincit omnia* - *ELE*) I was unable to magnify it sufficiently well and still keep it legible. So, can you please enlarge that area of Lottie's chest, or spell it out.
PDaddi, by email.

Sweet stuff

Julia says: Well this is all a bit highbrow isn't it? The tattoo reads "Ella qui audet vincit" which we are told approximates to "She who dares, wins". Now can we get back to naked ladies covered in custard. Ah, thank you.

SEX WITH ALL THE STRINGS

With pleasure comes pain, as Daisy Blade discovers sex...

You won't hear me say this very often, but there are some downsides to sex. I know, I know, the whole point of this column is to celebrate how fucking fantastic sex is, but we all know that it can't be great all of the time.

The current gripe I have with coitus are the injuries we've had to endure because of frantic and fun fucking. Sadly over the last month both Mr B and I have suffered a string of pulled muscles, torn hamstrings, bumps and bruises that have left us both fearing getting down and dirty, worried about what we're going to hurt next.

Paranoia during sex is a real libido killer, let me tell you!

By far the most frustrating ailment I suffered was pulling the muscles in my gluteus maximus after cumming too hard. Mr B decided to have a session going to town on my clit. He was licking and teasing it and fucking my pussy with his fingers. I was in orgasmic heaven when he started probing my G-spot. My hips bucked and I gushed hard all over his hand, but as I was riding my orgasm out, I felt a twinge in my arse cheeks. Next thing I knew I was writhing around on the bed in pain, rather than pleasure. The aching pain was so intense in my arse that I had to take deep breaths to prevent myself from crying.

What the fuck is with that? Complete fucking buzz killer. Had my orgasm high ruined because I orgasmed too hard? I can't be the only woman to have suffered this, but I'd like to know how in the hell I managed to do it.

A week later, Mr B was playing cricket (he's Australian, it's practically expected of him) and somewhat too enthusiastically for an over-30 that plays sport sporadically on a weekend, took off after a ball in the field. Apparently there was an audible "pop". He stopped. Hamstring torn and there was some beautiful bruising that

followed.

Taking one look at it, he didn't have to explain to me that sex would be off the cards for at least a week. The only physical naughty stuff we got down to during that time was mutual/solo masturbation. Although still fun, there was very much that feeling of wanting what you know you can't have. So, for a week, we wanked a lot. Like we really milked it, as it were.

This led to groin strain for him and me suffering from a touch of cystitis due to fucking my vibrator and his hand too hard. I'm sorry we have to go there, but our sex life lately was getting ridiculous as we were plagued by problem after problem.

When we (or I should say he) felt brave enough that we'd both recovered, we decided to give sex another go. Feeling optimistic that he was "back on form" (his words), I lay back and let him take me. Of course we started slowly, but in the heat of the moment and as we got a rhythm going, because for once everything seemed to be

going right, he forgot that he managed to tear his hamstring only a few weeks ago.

Having your lover cry out in momentary agony and then collapse on you isn't sexy. In fact, from our

experience I'd go as far to say it was a complete mood killer.

That evening ended with me going to fetch a bag of frozen peas.

I make it sound like Mr B was the real one that was sick and needy for most of the time. This wasn't the case. One occasion had me chained to the end of the bed by my collar. Mr B was standing just far enough away that I couldn't reach his throbbing cock with my mouth. I was so determined that I stretched and leaned and tried my hardest to wrap my lips around him.

Turns out, that's a bad idea and I managed to strain my neck.

Damn me for being so bloody cock hungry.

TIFFANY

If you're ever lucky enough to score a date with tempting Tiffany Naylor, you won't have to worry too much about the entertainment. As you can see, she's perfectly capable of whiling away the hours with her trusty, thrusty set of dildos and a whip gently pummeling her clit. "Some blokes freak out when they see all my kinky gear. But they get into it eventually. I don't give them a choice!"

When we asked our guide, Scouse totty Tanya Tate, why should Escort go to Liverpool, she said: "Liverpool girls love to dress sexy, take care of their hair, nails and look after their figure. Go out on the weekend to the bars and clubs I've suggested, especially in the summer, and you'll see sexy just about everywhere!"

NOT ART

Even if you're not usually into art, we're sure you'll like The Gallery on Stanhope Street.

Although unconfirmed for 2014, The Gallery has previously hosted an annual erotic art exhibition. Risqué paintings adorn the walls, bondage sculptures stand tall and there have even been nude live art and pole dancing installations. Check thegalleryliverpool.co.uk to see what's coming up.

FRISKY BUSINESS

After drinks and dinner, explore Liverpool's adult scene. Angels on Cumberland Street boasts girls so sexy that not even Tanya could resist them: "Some of my mates took me in there and set me up with a private lap dance with this gorgeous sexy blonde with big boobs. I know no touching was allowed, but I think the girl had guzzled a load of wine and I was pretty drunk too. I ended up kissing her full-on while going in for a boob fondle. It would have gone further but the bouncer caught us and kicked me out of

"I HAD A THREESOME IN THE TUB OVERLOOKING THE RIVER MERSEY"

the VIP area." Best behaviour required, even for one of the world's hottest porn stars!

There's also Rude Gentlemen's Club, by its own admission, a playground for A-listers and footballers looking for a saucy night out. The two floors of plush surroundings and VIP private booths for hire are perfect for watching the stage shows or when wanting a private dance.

For more hands-on action, check out Townhouse swingers club on the Wirral (Townhouseinternational.co.uk). "I hear

they do amazing parties," says Tanya and we can believe it with their soft, comfortable play rooms, hot tub or dungeon style bondage equipment for those that like to play harder. It has a little bit of everything to keep all tastes satisfied.

By day, treat yourself at one of the hot sex shops. "Ann Summers and Nice 'n Naughty both have a great range of toys and sexy lingerie. Want something a little more elegant? Try shopping at Boux Avenue on South John Street, Liverpool One. They design well made, pretty underwear that she'll want to wear everyday," recommends Tanya.

GET A ROOM!

With all the art-gazing, shopping, cocktail guzzling and swinging action, you'll need somewhere comfortable to unwind. As far as Tanya's concerned, there's only one place good enough: "The Malmaison. It has football-themed suites, the best being The Kop. There's a games room with tabletop football so you can play it naked with your girl. Then there's the wooden double tub in the bay window, big enough for two people to play. I've had the pleasure of playing in it with a sexy couple. It was hot getting fucked up against the window overlooking the river Mersey with the curtains wide open." Now there's a suite view!

ANNA

Not the sort of girl you usually find up a dark alley in darkest Esher in Surrey — Anna has no flick knife hidden in her bra, just a couple of very inoffensive weapons. "I'd have to be desperate to have sex down here," she cooes. "But I do get desperate! I'm always dragging my boyfriend into places like this for a quickie. He says, can't we get a hotel? For five minutes of frantic, bone-shaking sex? Get down there and get your pants down, I say!"

REAL WIFE SEX

Susie Durham

A couple busy down
lover's lane make room
for a lucky dog walker...

I want to tell you about an experience I had recently, one of the horniest ever. I'm fortunate enough to live in a house on the edge of a village, backing onto woods where I walk the dogs regularly. I usually take them on a circular route, coming back along the country lane that runs past my house into the village, and past a lay-by that a lot of the local kids use as a lover's lane.

Last week I was walking the dogs home when I spotted a car in the lane – and it was one I knew! I'd recognise my friend Pat's battered old Volvo estate anywhere, so I assumed she was waiting for me to turn up and I stuck my head through the driver side window, a silly grin on my face.

Pat was there alright, but she wasn't waiting for me. Sitting in the passenger seat was a young guy half her age, sporting a massive hard-on. His trousers were down his thighs and he was moaning as my friend Pat sat there firmly wanking his thick, glistening shaft, her pendulous breasts exposed and jiggling in the dusky half light.

I gasped, and Pat turned and smiled at me. "This is Justin," she said, saucily. The sight of the both of us must have been too much for the poor lad, because right then he drew in a sharp breath, moaned and jerked in his seat. Pat turned her attention back to him and quickly placed her mouth over his cock, so that she could suck all his cum into her mouth as he shot his load.

Once he'd finished, Pat made herself decent and got out of the car with a grin on her face like the cat that got the cream. "You're a dark horse," I said.

Pat shrugged. Her husband wasn't up to much any more, she reasoned, so she was making up for lost time. Now I'm not easily shocked, but Pat's brazen confession took me back a little, particularly when she followed it up with the suggestion that the three of us head back to my place for a drink.

With the drinks poured, and the dogs locked in the pantry, Pat wasted no time. She stood in the middle of the room and undid her blouse and said, "Who's gonna suck my tits?" and Justin and I took one each. We suckled them for a

moment, and then I left them to it so that I could change into something more appropriate.

On the way to the house, arm-in-arm, Pat had said that Justin liked sexy undies, so I changed into a basque, stockings and heels. When I got back to the lounge Pat was standing, wearing only a satin waspie, bent over and propped up against chair as a naked Justin knelt behind her and licked out her crack, his hands roaming over her thighs. I strutted in and she turned and stood up. Justin followed and she grasped his

cock and said, "Come and show Sue," leading him over to me. They turned their attention to my nipples and my arse.

Pat pulled down my thong and smiled appreciatively at my pierced pussy. "And you said I was the dark horse," she giggled.

Justin was at my pussy like a shot, flicking his tongue over my gold labia rings and pushing his face into my shaven snatch. I backed up and spread myself across my wooden coffee table as Pat joined Justin at my pussy, moving him out of the way and telling him to stick his cock up me. He stood in front, wanking to full hardness as Pat frigged my clit. She needn't have – I was already really wet.

After a couple of licks of my musky pussy, Pat lifted her head and Justin came to the table. His huge cock glistened with pre-cum and he gave it a final tug before slipping it deep inside me.

I could feel how big he was as my pussy stretched to accommodate him inside me. After a few minutes of frantic thrusting I pushed him away so I could turn over on to all fours. I pressed my face against the table, pulled my pussy

Jenny

FRAME GAME

Brand new redhead Jenny from Yorkshire wouldn't work with us until we assured her we were an "artistic" publication. Yes, very arty, we told her. And we run a lot of features about Charlie Parker and Sidney Bechet – we're a jazz mag too, you see, Jenny. We told her the nude form had a long and honourable tradition in art and if she'd just get her kit off she could take her place in that grand pageant. So what do you think readers? Knocks spots off a Picasso doesn't she?

A I J A I

Chunky Aijai wrote to us saying we didn't have enough fuller-figured girls featured in the magazine and said she'd get her kit off for free to show us what we were missing. So we got the bargain of the century and you get to see just how awe-inspiring a curvy girl can be. "I always say the bigger boned get better boned. Guys love to grab on and hitch a ride!"

ROVA

Why does Roxanne paint her nipples bright red? Your boobs aren't that small, love. We'd even say they were about the perfect size for getting the whole lot in your mouth. "I'm turning my tits into targets!" she divulges. "It makes them ultra-sensitive. When you drip your spunk on to them I become seriously orgasmic! So cock, aim and fire, guys!"

Fun in the sun

One Sunday morning during the hot weather last year, my boyfriend and I were sunbathing in our back garden, which is not overlooked by the neighbours.

We were rubbing sun oil into each other which was really turning us both on. I had just started to fondle him on the sun lounger when his phone rang.

Steve had to leave me all

about half an hour there was a knock at the side gate, so I put my bikini top back on to see who was there.

It was two of my boyfriend's mates, Chris and Dave. They had brought some cans of beer and a couple of bottles of wine.

I told them about Steve being called into work and said he would join us later. So they pulled up some deckchairs and opened some cans and we all enjoyed a good laugh.

I was applying more sun oil when Chris jokingly offered to put some on my white bits. It was turning me on knowing the lads were watching me. They were shocked when I took off my bikini top and oiled my big tits. I lay down on the sun lounger and carried on drinking and laughing.

I asked Chris to rub some oil into my back and Dave asked when it was his turn to do my front. Then

he bent down and started rubbing oil into

my legs, getting higher and higher. By this time I was really wet and spread my legs so Dave could go right up to my pussy.

I could tell Chris was really turned on by the bulge in his shorts. I turned over on to my back and Chris started playing with my tits and then leaned over, sucking my erect nipples.

I could feel Dave's fingers pulling at my

and out faster and faster until I squirted.

I grabbed Dave and started rubbing his cock hard. He pulled his shorts down and I began sucking and wanking him. I could feel Chris lick my pussy and then slip a finger

hot and bothered and go to work.

I continued to rub oil into myself. I took my bikini top off and started rubbing oil into my nipples.

Then I pulled my bikini bottoms to one side and started rubbing oil into my shaved pussy and playing with myself

After

MY BOYFRIEND WOULD BE BACK IN AN HOUR SO I JUST HAD TIME TO SUCK THEM BOTH OFF

bikini bottom and I lifted my bum so he could pull them right off

They changed places, Chris sliding two or three fingers up my shaven pussy, pushing them in

up my arse.

I sucked Dave harder and could feel him building to orgasm. He started cumming in my mouth and then pulled out, jizzing all over my tits.

Chris was so turned on that

he removed his fingers from my arse, stood me up, bent me over, spreading my legs and slipped his cock up my arse.

I could see Dave behind us watching as Chris fucked me hard and fast for a minute or two before shooting his load up my rear tunnel.

As he withdrew I could feel his spunk running down the back of my leg and I fell back onto the lounger, my pussy pulsing with ecstasy.

Then Dave grabbed me, pulled me up and shoved his cock into my dripping wet pussy. Dave's cock was fatter than Chris's and he fucked me for five or six minutes before filling me with his hot seed.

I poured myself a glass of wine then shagged the lads again before heading for a cool shower.

When I came back I had received a text from Steve

saying he would be back in an hour so I had just enough time to suck them both off before they left.

They stood side by side as I sucked and wanked them, both nearly cumming at the same time all over my tits and face.

I had to go back upstairs for another shower and the lads shouted up that they would see both Steve and me next week.

After my second shower I returned to my sun lounger, applied more sun oil and sipped a glass of wine waiting for Steve to return.

Bedtime horlicks

No matter how tired I am after work, my bi girlfriend always gets me hard.

Last week she surpassed herself, coming home when I was in bed and waking me up to fondle my cock.

to girl-on-girl is the sixty-nine. Nothing they can do to each other turns me on more.

And seeing Tara's golden body stretched out over my girlfriend's was the ultimate.

Every so often, one or even both of them would make eye contact, and it

Then she called out: "Come in!"

The bedroom door opened and this gorgeous black girl peeked in.

Heather said her name was Tara and if I thought she looked good, I should wait until I got a taste of her pussy.

I reckoned they must want me to sort myself out, so I reached down for my cock – only for Heather to brush it away and say they'd take care of it later.

They lay down at the foot of the bed and began sucking cunt, my stiffy getting harder and aching in sympathy, like it was being sucked, too.

I didn't dare touch myself now till they were ready for me.

Then as Heather started to fuck her with it, she bowed her head and started to lick Tara's clit again, using her tongue on it to the same rhythm as her strokes.

It was obvious Tara was close to cumming. Her body thrashed about on the bed, suddenly stiffened

and arched, and then trembled as she came, her moans building up to screams

IT FELT LIKE THEY WERE BOTH FRENCH KISSING MY COCK

Now Heather asked me to pass her vibrator from the bedside drawer, and Tara assumed the position, with her arse directly in my line of sight.

Heather didn't mess around – she switched the vibrator on full, and played the very tip of it lightly up and down Tara's slit, pressing just a tiny bit harder as it moved over her clit.

Already juiced up and puffy from her licking, Tara moved her hips around, sighing as Heather slipped the toy in deeper.

of pure pleasure.

I saw her body buck once more as Heather pulled the vibrator from her cunt. Then Heather sucked it clean and used it to frig herself to an almost immediate orgasm.

Now Heather moved up the bed and, as the two girls lay, one on each side of me, they each started licking down one side of my shaft.

As they got more passionate and sloppy, it looked and felt like they were French kissing each other around my prick, all wet tongues.

Then, suddenly, Tara took my helmet in her mouth, and Heather bowed her head to lick my balls. Either sensation would have felt incredible, but having it done both at the same time just blew my mind, and every nerve in my crotch.

As my nuts seized up, Heather licked up my shaft to my head, and once I'd spunked into Tara's mouth, she let it collect so she could share it with my horny girlfriend in another deep kiss...

Tom, Lincs.

REAL WIFE SEX

lips apart with both hands, and said, "Fuck me good and hard."

Justin didn't disappoint, pumping roughly into me as Pat slapped my arse cheeks, shouting, "Fuck her! Fuck the bitch!" As Justin concentrated on fucking me Pat moved to a chair in front of me and sat there, playing with her tits and pussy, as I watched. Justin was banging away hard, and then his hands clawed my arse and he grunted, spunking deep inside me. Pat smiled and moved round to him, licking the cum off his cock as he pulled his wilting member out of me.

It was not Pat's turn. "That bush will have to go!" I said. Justin agreed, so we pushed her back into an armchair and I got my razor and foam. We shaved her cunt clean, and as Justin was already getting hard again, it seemed a shame not to waste it! Pat played with my pussy lips, stretching them and tickling them,

as I wanted Justin back to full hardness. She seemed more intent on watching him thoroughly fuck me, and wandered into the kitchen, coming back with a cucumber. I took her place on the armchair and Justin slid into me again, as Pat sat next to us and watched, shoving the cucumber up her wet hole.

She started with just the tip, but soon about half of the thing was ramming in and out of her. It was so horny to watch. This time when I came, I came hard, and I knew I couldn't go again, so I sat there and watched Justin fuck Pat, bringing her off before spunking over her tits and stomach. It was the least I could do to clean her up with my tongue! 🍆

Some girls just go bonkers at the first sight of sun – you see them in the park, drinking vats of warm white wine and trying to remove their bras without taking their tops off. Yes, we see you girls, we just wear sunglasses so you can't tell we're trying to ogle you. Jasmine is no different. She just doesn't bother trying to hide it. "Sun's out, my bum's out is my motto!"

Friday night sinner

As we do every Friday night, my boyfriend and I went to our local for a quiet drink. But to me this Friday was special.

I'd been out shopping and bought sexy underwear and a hardcore porn video. While we were playing pool my pussy lips were soaking thinking of the night ahead.

When my pussy needed severe penetration I knew it was time to go. When we got home I changed into my new see-through bra and thong and got the video ready.

I lay on the bed and when my boyfriend came in to the bedroom he knew exactly what I wanted. He quickly

undressed, revealing his meaty cock.

I started rubbing my tingling clit as he lay down next to me and we watched the video.

Then he took over rubbing my hot, wet pussy.

I returned the favour by massaging his balls and wanking his hard cock. The porn video was amazing – hot pussies and hard cocks filled the screen.

This soon made my pussy juice explode all over his fingers. He then took off my thong and caressed my body till he reached my glistening pussy.

He gave me the lick out of a lifetime. As he gently licked my clit I spun myself

HE GAVE ME THE LICK-OUT OF A LIFETIME

under him for a 69. He carried on plating as I took his solid cock in my mouth.

He opened me wide, my pussy squelching as he thrust three fingers up me. I sucked his cock faster until I just had to have it buried

deep inside my cunt.

He lay flat on his back and I climbed on top of him. At first I teased the tip of his cock up and down my pussy lips.

Then I eased myself down onto him and slowly began to move up and down. As our

Meter nice gal

Have you every wanted to be fucked in the back of a moving car? For years it's been my fantasy.

I was chuffed to bits when it happened one night when I was out with my mate Chas.

I bumped into him at a local club. We'd always got on well and obviously quite fancied each other. We just hadn't done anything about it yet.

Anyway, we danced together and as I got hornier I started coming on to Chas. I straddled his legs and rubbed my pussy down his thigh.

He got the message and led me off the floor. All we wanted to do was shag so we went straight outside and got into a taxi, heading for his bachelor pad.

He had a good fondle of my breasts, twiddling my nipples, which had never been so hard. I started rubbing his cock through his trousers, finding he had a good stiffy.

Amid the passion I was vaguely aware of being watched. The driver had his mirror positioned

YORKS**

way too low to be looking at the traffic behind him. He was copping a load of us.

This turned me on even more. Chas seemed to have forgotten we were in the back of a cab because he had his hand up my skirt and in my wet panties.

I lay back further in the seat and put my feet up on the front seat headrests. The driver looked round when he felt my foot touching his seat.

I gave him a horny dirty look and opened my legs fully. He got a good eyeful of my aching wet cunt.

He gave me an equally dirty look in return

THE CABBIE GOT A GOOD WANK OUT OF ME TOO

excitement grew, I bounced harder and faster on his shaft as he tweaked my nipples.

I couldn't believe the climax I had as I suddenly pushed myself right down on his cock. My juices squirted all over his balls.

Then he flipped me round

tensed up and went solid as rock. I knew he was about to shoot his load.

I positioned myself at the end of the bed. He stood at the edge of the bed and pounded his cock into me, thrusting vigorously.

CONTACT ME

and started fucking me doggy-style. I could hear and feel his meaty balls slapping against my cunt.

I sensed he was getting very excited when his cock

His hot spunk exploded over my tits just as I was cumming, intensifying my own orgasm.

It was one amazing fuck!

and kept driving.

The sound of Chas's fingers squelching in and out of my cunt just got me hornier. I needed to feel his tongue on my clit and rub my wet pussy in his face.

I lay across the back seat and Chas started slurping my wet pussy. I felt like a right dirty bitch but, God, I was loving it.

I needed cock and Chas obligingly lobbed his out. I wanted it in my wet hole but first I wanted to give it a suck. I whacked it in my gob and took the full length.

I gagged at first but soon I took it all down the back of my throat and gave it a damn good suck.

I turned over on all fours and offered my horny hole to Chas. He slammed it in good and hard. As he pounded into me he called me a dirty bitch who needed a good fucking.

He finished by shooting deep in my cunt. The driver let us off our fare, telling us he'd got a good wank out of it himself.

Teri, Yorks.

Gay for Play

I met an old school friend while out shopping and we agreed to go out for a drink that night.

We went to a few pubs and caught up with each other. We were in quite high spirits and the drinks were going down well. Then she suggested we go to a pub she knew, and I agreed.

After a while I noticed everyone else was part of a couple, what's more of the same sex. Realising I was in a gay bar, I looked inquisitively at my friend.

She reached over and put her hand on my knee and admitted she'd had a thing

kissed her back. She led me into a cubicle and once inside she squatted over the toilet and forced my head between her legs.

I had tasted my own juices on my boyfriend's cock, but this was the first time I'd tasted fresh pussy-juice. I started to lick her cunt like a cat licking a saucer of milk.

She was soon moaning and writhing all over the place, which got me horny

I LICKED HER CUNT LIKE A CAT AT A SAUCER

for me since school. I wasn't sure whether it was the drink or hidden lesbian tendencies,

as hell and gave me a feeling of power. I sucked her clit desperately and she was soon cumming hard.

but I felt strangely excited.

She got up and signalled I should follow her to the toilets. They were empty when we got there and as soon as the door was closed she was kissing me and squeezing my breasts.

I hesitated at first but then felt really turned on so I

Then she ordered me to sit where she'd been, which I gladly did. As I got my pussy licked by a woman for the first time I was cumming in seconds.

Now I'm keen to meet other people for sexy fun times! Male or female unimportant!
